AMENDMENT AND RESPONSE

Dear Sir:

In response to the Office action of December 27, 2004, Applicant hereby makes
the following election and remarks.

Claims 1-22 of the original application are pending. In the December 27, 2004 Office action, the examiner stated that restriction to one of the following groups of claims was required under 35 U.S.C. § 121:

- I. Claims 1-16, drawn to an arrangement for generating a digital current measurement signal, classified in class 324, subclass 765;

or
- II. Claims 17-22, drawn to an impedance circuit for an electrical meter monitoring power usage system from a service line.

Elections

In response to the December 27, 2004 Office action, the applicant elects group II claims 17-22 for prosecution in the present case.

Applicant retains all non-elected claims in the present case subject to appropriate action by the examiner.

Conclusion

Favorable consideration and allowance of this application, including elected 17-22, is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink that reads "Russ Fowler". The signature is written in a cursive, flowing style with a long horizontal line extending to the right.
